

AVL

# Visit AVL at 2019 COMVEC TECHNOLOGY CONNECTION

September 9-11 at JW Marriott Indianapolis, Indianapolis, IN

## FUELING THE FUTURE: OFF-HIGHWAY APPLICATIONS AND TRENDS PANEL

September 10, 2019 | 10:30 am

AVL expert Iain Ridley, director of business development at AVL, will join other automotive experts to examine technologies that are disrupting the off-highway market and explore steps to an all-electric future.

## TECHNOLOGY DEMONSTRATION INTERNATIONAL MOTOR SPEEDWAY

September 12, 2019 | 10:00 am

Explore AVL's ADAS/AD function integration, calibration, and objective evaluation capabilities during the vehicle demonstration. AVL experts will explain how AVL-DRIVE™ Autonomous improves customer comfort and driveability.

## FIND OUT MORE – SCHEDULE A MEETING WITH AVL EXPERTS AT COMVEC

Contact your AVL representative to schedule an on-site meeting with AVL experts to discuss **autonomous**, **calibration**, **electrification**, and **big data** solutions for the commercial vehicle market.
